

2027

Enhanced Resident Leadership Program

Invest in the future of neurology

Support the Enhanced Resident Leadership Program

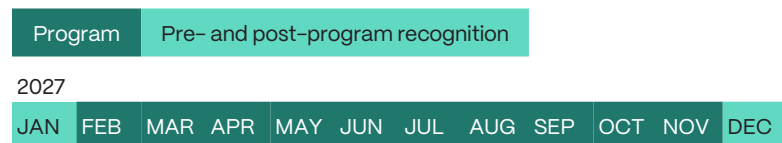

Since 2015, the program has identified, trained, and nurtured a select group of 10 adult and 5 pediatric neurology residents through an immersive experience at the AAN Annual Meeting, where participants are paired with mentors for resident-specific leadership training and receive the opportunity to attend networking events and scientific and educational programs. The training aims to cultivate participants' potential to be future Academy leaders by providing greater awareness of Academy resources and opportunities for engagement.

Reach targeted audience

- Neurology residents
- Current and future leaders in neurology
- Expanded audience in neurology

Extend your visibility

Recognition extends from January 2027 through December 2027.

Across multiple venues

Recruiting materials, program materials, face-to-face interactions, newsletter to AAN Leadership Program alumni, 2027 AAN Annual Meeting
