Eye Care Square is an exhibit hall like no other-- bringing together must-see exhibitors, optometry professionals who are decision makers in their business, immersive learning experiences and plenty of networking. Minneapolis is a fun and innovative city whose downtown area is connected by a skyway system of enclosed walkways that connect shops, hotels, restaurants and more. The Art Center, U.S. Bank Stadium (home to the Minnesota Vikings), Target Field (home to the Minnesota Twins), lakes and parks, Irish pubs and breweries, Mall of America, and of course Paisley Park, home to legendary musician Prince are a melting pot of culture and entertainment providing a well-rounded experience at Optometry's Meeting.
