ADVANCED MATERIALS AND MANUFACTURING PAVILION

Extend operating times, reduce weight and increase performance — composite materials play a pivotal role in the design and manufacturing of uncrewed and autonomous vehicles. From engineered plastics for sensors-embedded surfaces to thermoplastic-based carbon fiber composites for structural components, these advanced materials are shaping the future of the autonomous systems industry in both civilian and government sectors .

XPONENTIAL 2025 offers a global platform for gaining exposure, discovering new opportunities and forming partnerships to enhance your offerings. Explore three essential tools for composites material manufacturers to leverage their participation at XPONENTIAL 2025 and stay ahead:

ADVANCED MATERIALS AND MANUFACTURING PAVILION

The Materials and Manufacturing Pavilion serves as a dedicated hub on the XPONENTIAL show floor for composite engineers and manufacturers of equipment used in production. Showcase your unique solutions and cutting-edge technologies tailored for applications across the uncrewed and autonomous systems community, from platforms to components.

ENTERPRISE AND GOVERNMENT SOLUTIONS SPEAKING OPPORTUNITY (EAGS)

Feature your customers in a panel discussion or have company representative address industry challenges and your innovative solution in a 45-minute session that you control. Gain visibility as an official XPONENTIAL Sponsor and receive a list of opt-in attendees for further engagement. Limited slots available, learn more about by contacting your account manager; learn more at www.xponential.org/sponsor.

Join the AUVSI community of uncrewed systems innovators and leaders to access unparalleled information, resources and connections. Industry leaders can benefit from a special membership tailored to their needs. Start your journey with AUVSI at www.auvsi.org/members.

ADVANCED MATERIALS AND MANUFACTURING PAVILION

EXHIBITORS RECEIVE:

- **Company Listing:** Your company will be prominently featured in the XPO Guide, both online and in the event app, ensuring visibility to all attendees.
- **Demographic/Cross-Reference Directory:** Gain additional exposure with a listing in the Demographic/Cross-Reference Directory in the XPO Guide, online, and in the event app, enhancing your visibility and accessibility to potential partners and clients.
- **Complimentary exhibitor badges:** Receive a designated number of complimentary exhibitor badges based on your booth size, facilitating staff access to the exhibition floor and networking events.
- **Complimentary Customer Passes:** Receive complimentary customer passes to invite key stakeholders from public safety agencies to explore your booth and discover unique solutions and cutting-edge technologies for uncrewed and autonomous systems tailored for the public safety community.
- **Promotional Toolkit:** Access a specialized promotional toolkit featuring sample social media posts, press release templates, graphics, and more. Effectively communicate how your offering enhances operational efficiency and safety in public safety applications at XPONENTIAL 2025.
- **Show logo/banner Ad:** Display the XPONENTIAL logo or banner ad on your company website, demonstrating your dedication to advancing public safety through innovative uncrewed and autonomous system technologies.
- **Opportunity for Speaking Slot:** Apply for a speaking slot in the Solutions Theater to present your solutions and technologies designed for public safety applications. Share case studies, insights, and advancements that illustrate the benefits of your offering in enhancing operational capabilities and safety measures.
- **Pre-Registered Media List** (available approx. 4 weeks before XPONENTIAL)

RAW BOOTH SPACE *

	PRICE PER SQUARE FOOT
AUVSI Member **	\$38
Nonmember	\$44.50

Raw Space (Linear Booths Only) Includes:

- 8' draped wall
- 3' side-rails
- 2-line ID sign (44" x 7")

ELIGIBILITY REQUIREMENTS:

- Company must be exhibiting advanced plastics and polymer composites or manufacturing equipment used to produce autonomous systems

SHELL SCHEME BOOTH *

	10' X 10'	10' X 20'
AUVSI Member **	\$6,800	\$12,200
Nonmember	\$7,950	\$13,500

Shell Scheme Booth Space Includes:

- Header sign
- Standard carpet
- Track-light with one (1) head per panel
- 42" h side returns/panels
- Set-up and removal
- Counter with sliding doors (42" h x 39" w x 18" d)
- Opening day cleaning
- Café table
- Four (4) chairs
- Power - 10 amp/1000 watt (outlet placed at the back wall; one outlet regardless of booth size)

10'x10' Shell Scheme

10'x20' Shell Scheme

Co-hosted by

* Linear booths with open corner(s) are charged \$500 per corner. | ** Company must be an organizational member of AUVSI at the time of contracting and at the time of the show.
