The National Planning Conference (NPC) is the most cost-effective and exclusive marketing platform to grow your business, secure new contracts, strengthen customer relationships, and learn about the many challenges facing planners and elected officials from across the country.

"We had a fantastic experience at NPC25. The opportunity to exhibit allowed us to showcase our AI-powered site plan review product to a wide audience and the level of interest exceeded our expectations. As a one-year-old startup, we were thrilled to book 55 demos during the event and make meaningful connections with planners, local governments, and fellow vendors."
—BlitzPermit

Produced by the American Planning Association (APA), the voice of more than 40,000 planners, elected officials and aligned professionals around the world, NPC26 is the only event to reach a national audience of planning practitioners across all specialties. **Attendees directly purchase or recommend services and solutions and influence local, state and federal contracts regarding infrastructure planning and development of housing, transportation, schools, offices, hospitals, airports, and more, as well as land use, utilities, environmental sustainability, community engagement, and other critical areas that address the future needs of communities.**

Get face-to-face access to planners from large cities to small communities and from every state. The Hub is a unique and high engagement trade show where you can meet with attendee buyers and influencers that are there specifically to learn about your solutions and services.

BENEFITS OF PARTICIPATING

- **High quality audience**—all attendees are paid conferees that are focused on learning and improving their skills, which includes talking to industry experts at the booths and exploring the solutions and services presented in the Hub.
- **Well-above industry average** of attendee to exhibitor ratio for an event of this size (nearly 60+ attendees to every exhibitor).
- **Enhanced programs and more education opportunities** to build thought leadership, actively engage with attendees at your booth, and amplify your brand before, during and after NPC26.
- **Exclusive Hub hours and networking events** include two networking breaks with snacks and beverages served, a lunch break with food service vendors in the Hub, and the popular Welcome Reception on Saturday evening, keeping attendees coming back each day and staying longer.

85%
of exhibitors said NPC25
was effective in achieving their
goals—generate quality leads,
book meetings and demos,
educate planners, connect with
customers, and other goals.

89%
of exhibitors rated the
quality of attendees as
excellent/good.

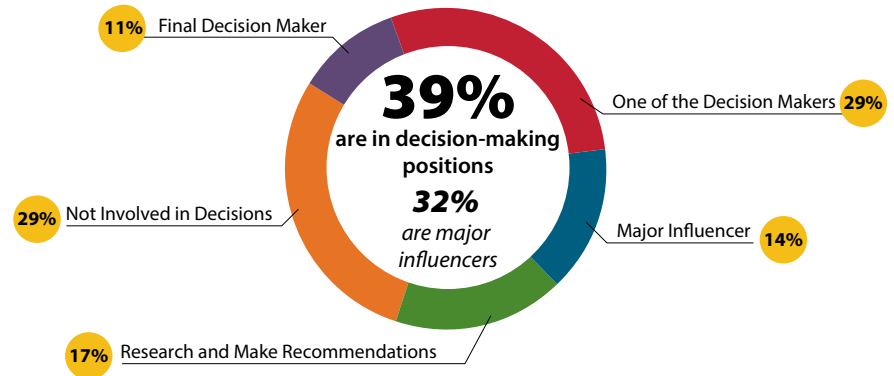

NPC26 offers opportunities for every budget and measurable benefits, enabling companies to generate a positive ROI from participating.

AUDIENCE PROFILE

NEW FOR 2026

Last year saw record attendance and more engagement between attendees and companies on the show floor. NPC26 will continue that trend with 5,000+ attendees expected in Detroit and NPC26 Online. Based on exhibitor and sponsor feedback, we have made exciting enhancements and changes for 2026:

- **More opportunities to educate attendees:** Theater areas will be expanded to five with targeted topics presented at each—Technology, Planning Insights, Esri solutions, Career Center and member benefits sessions at the APA Pavilion.
- **Reach new planners:** Opportunities to reach Planners that attend NPC26 Online.
- **Revised Hub hours:** Expanded set-up hours beginning on Thursday at 8 a.m. and an earlier closing on Monday at 3:00 p.m. (CT) after the last networking break to allow more time for tear down.
- **New turnkey furnishings packages** to reduce time and costs, and present exhibitor/sponsor brands effectively.
- **Training for exhibitors and sponsors:** A live webinar will be presented and recorded to provide an overview of NPC26 and best practices and tips to reduce your exhibit costs, increase booth traffic and lead generation, and improve sales.
- **Studio with News Desk:** A Studio will be featured onsite with opportunities for companies to have a professional video produced at their booth or executives interviewed at the news desk by a host. Videos will be used to pre-promote the Hub, will be shown onsite at the theaters and kiosks, and will promote NPC27 post-event.
- **Discovery Zone:** A New Solutions Showcase will draw attendees to explore the latest solutions and services from sponsors on interactive kiosks. The Exhibitor List and floor plan, theater schedules, and other information will also be accessed from the kiosks so attendees can plan their time at the Hub and find companies they want to see.

“The variety of activities and spaces to connect in the Hub was excellent. It’s one of the first conferences where I was upset to miss an “unofficial” program in the Hub when I had to present an actual session elsewhere.”
—NPC25 Attendee

Highlighted solution areas at NPC26 include:

- **Innovative housing:** housing manufacturers, building materials, services, and other companies addressing the nationwide housing crisis with innovative approaches.
- **Technology highway:** software and technology solutions including GIS applications, mapping, spatial analysis AI, data services, analytics, visualization tools, remote sensors, drones, community engagement, permitting and many other tools.
- **Green solutions:** EV charging and other green solutions.
- **Start-ups and first-time exhibitors:** Companies will be highlighted in a new exhibitor/start-up neighborhood near the APA Pavilion, a highly trafficked area all day long.
- **Esri partners:** Esri partners and their solutions for planners will be showcased in the partner pavilion next to the Esri booth and Esri Theater.

Hub Theaters

NPC26 will feature five theater areas with sessions presented by sponsors, APA, and Esri and their partners. Sessions are available during exclusive morning and afternoon networking breaks and the lunch hour, as well as throughout the day.

- **Technology Theater:** Sessions and demos on software and technologies.
- **Planning Insights Theater:** Industry trends and other educational and skill-building sessions vital to planners.
- **Esri Theater:** ArcGIS and other demos and training sessions from Esri and their partners.
- **Career Center Theater:** Sessions presented on career development.
- **APA Pavilion Theater:** Presentations showcasing APA member benefits.

Hub Engagement Areas & Events

- **Career Center:** Attendees can visit the Career Center the tech bar to get help leveraging social media to build their career profile and resume, meet with APA representatives, and listen to career-oriented sessions in the theater.
- **Professional Headshot area:** This area that is always busy with planners getting a professional headshot to enhance their resume or LinkedIn profile.
- **Wellness Center:** Attendees can unwind and reenergize with massages and wellness classes.
- **Welcome Reception:** A first-day highlight, the Welcome Reception is always very well-attended. Once again, it will be held in the Hub and we encourage exhibitor staff to mingle and connect with attendees away from their booths.
- **Networking breaks:** During these exclusive hours in the Hub, light snacks and beverages will be served for networking breaks; and food service vendors will be located in the Hub to encourage to visit the show floor at every break and stay longer.

"I liked the multi-faceted nature of the Hub. It seemed to offer a good way for connecting vendors with conference attendees and creating opportunities for informal conversations."
—NPC25 Attendee

Discovery Zone Kiosk Sponsorship

\$1,800

New this year, the Hub will feature a new “Discovery Zone” area at the Hub entrance. There will be multiple kiosks available for attendees to search for companies on the Exhibitor List and floor plan, discover new solutions and services from sponsors, view theater schedules and watch the videos produced onsite. The Discovery Zone will be featured in one of the Hub Feature Videos to encourage attendees to use the kiosks to plan their time on the show floor.

- Build your brand and stand out among all the exhibitors by sponsoring a kiosk with these benefits:
- Logo prominently displayed on the front of one kiosk.
- Logo, 25-word description, and booth number on a call out on the welcome screen (rotating with other call outs when kiosks not in use).
- Company highlighted on the Exhibitor List accessed from every kiosk

New Solution Showcase

\$2,400

New this year, companies with a new solution, service, or product can showcase it to attendees in the New Solutions Showcase. One of the top reasons attendees come to events is to learn about new solutions. Highlight your new innovation to planners on every kiosk so attendees can learn more through interactive buttons and then be directed to your booth. Company will also get a 10-minute demo session to present their solution in the Technology Theater. Note: New solution, service, or product must have been launched within the 12 months before NPC26.

- The New Solutions Showcase will be featured on every Discovery Zone kiosk on the welcome screen.
- Attendees can click on your new solution, service, or product to learn more about it and request a brochure by entering their email (company will get a list of all of those leads).
- Logo, 25-word description of your new solution/service/product, and booth number on a call out on the kiosk welcome screen (rotating with other call outs when kiosks not in use).
- Tile with company name on the New Solutions Showcase main screen.
- 10-minute demo session during the New Solutions Showcase program at the Technology Theater (schedule tbd).
- Company highlighted as having a new solution / service / product on the Exhibitor List accessed from every kiosk.
- The Showcase will be highlighted in one of the Hub Feature videos, encouraging attendees to use the kiosks to explore new solutions/ services/products and then visit the companies' booths.

Digital Corner Sign Board at Convention Center

\$500 per day for static image | \$1500 for three (3) days
\$900 per day for video image | \$2,700 for three (3) days

Share your message with attendees of NPC26 and the City of Detroit. A 3,000 square foot digital sign on the corner of Washington Boulevard and Congress Street in downtown Detroit will give you powerful exposure. Static and video images run for 15-seconds on a 3-5 minute rotation for all 3 days of the Hub.

WiFi Sponsorship

\$15,000

Keep attendees, speakers, and exhibit staff connected all four days of NPC26 with complimentary Wi-Fi offered throughout Huntington Place. As the exclusive sponsor, your brand will be tied to providing free Wi-Fi to all participants. Sponsorship includes:

- Logo and booth number on the Splash Screen where all participants login to access the Wi-Fi (basic Wi-Fi service).
- Hub Feature Video—a dedicated billboard ad with logo, booth number, and voiceover identifying your company as the sponsor of the Wi-Fi in one of the videos.
- JNPC26 Website Square Ad with custom message and link to company website.
- Discovery Zone Kiosks—Company highlighted on the searchable Exhibitor List and floor plan as the Wi-Fi sponsor.
- Signage—logo and “Wi-Fi sponsored by” on signage in the registration area and in the Hub

Digital Sign at Information Desk at Convention Center

\$650 per day | \$1950 for three (3) days

57” digital display above the information desk near the front entrance of the center offers high visibility. One (1) static image on rotation.

Large Banner near People Mover Station in Convention Center

\$4,800

Make an impact. Detroit’s people mover will be a common form of transportation for NPC26 attendees. Promote your company in a 14’ x 8’ ceiling hung, double sided banner in the atrium right outside of the station in the convention center.

Floor Decals | 3’x3’

\$900 for three (3) decals

Decals can include a logo, custom message and booth number. Decals will be placed on the floor at the entrance of the Hub and in the aisle toward your booth or other high traffic area in the Hub to encourage attendees to visit your booth.

Dedicated Double-Sided Meter Board

\$1,500

Meter Boards will be placed in high traffic areas near conference sessions or Mobile Workshop departure area in Convention Center. Reach attendees where they are with a custom message and booth number on a large double-sided meter board sign.
