

## SNIS 23<sup>rd</sup> Annual Meeting & Fellows Course

July 20-24, 2026

Seattle Convention Center | Seattle, WA

Programming in conjunction with:

*SNIS appreciates the support of our sponsor and exhibitor partners. We want to ensure that each of you feel that you are getting the most out of your attendance at the SNIS Annual Meeting without sacrificing the experience of the attendee. To that end, we have instituted marketing rules regarding signage around the meeting.*

*No signage or marketing materials of any sort can occur at the SNIS host hotels or convention center during any of our program dates without the full consent and approval of SNIS. With the assistance of Freeman, we have created a Branding Guide, with pricing and order form, for the Seattle Convention Center, to allow additional opportunities for companies to extend their messaging throughout the event. Freeman is serving as the exclusive provider of branding services for the SNIS Annual Meeting and will provide install/dismantle labor and graphic production for all branding efforts.*

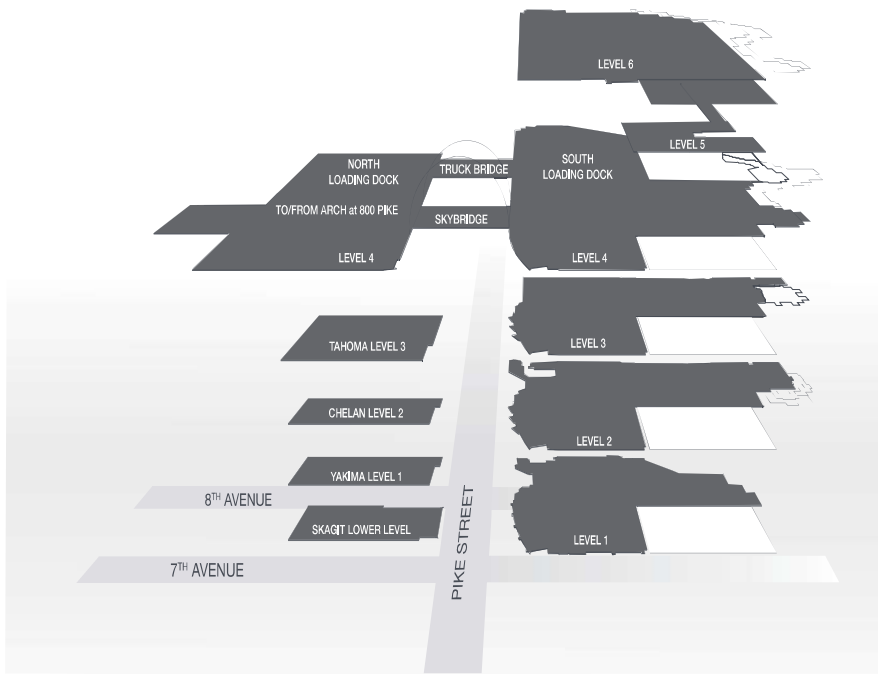

*If SNIS finds that any marketing has been set up without prior consent, we will have the right to require the materials to be immediately removed, fine the company responsible and dock exhibitor priority points.*

*Branding options will be assigned based on orders received by Monday, May 4, 2026. Any requests made after that time will be based on availability. Please provide multiple choices on the order form in the back of this Branding Guide in case your primary choice is not available.*

*If you need more information, please contact Chad Robertson @ (703) 691-2272 or [robertson@snisonline.org](mailto:robertson@snisonline.org).*
