

## Instructions for Review Portal

*Thank you for volunteering your time! In order to make the review process as smooth as possible, instructions for reviewing the abstracts assigned to you are provided below.*

### Instructions

1. Log in to eShow via [https://s2.goeshow.com/vam/iss/2026/review\\_portal.cfm](https://s2.goeshow.com/vam/iss/2026/review_portal.cfm)
  - Use the login credentials provided in your instructional invitation email. Please note that these are different from your **Speaker Portal** login credentials.
2. Upon logging in, all assigned abstracts are listed at the bottom of your portal view.
3. To view an individual abstract, click on the abstract's Review link in the far-right Task column.

Search <input type="text"/>			
Abstracts	Title	Rating	Task
Manual Assignment			
2005	OBSTRUCTIVE SLEEP APNEA (OSA) 2026 Updates		Review
2006	Patient Factors Limiting Disease-Modifying Effect of Hypoglossal Nerve Stimulation		Review
2007	Understanding Longitudinal Apnea-Hypopnea Index Trajectories with a Sleep Mat in Hypoglossal Nerve Stimulation and Uvulopalatopharyngoplasty		Review
2008	Post-surgical Hearing level of OSAS patients		Review
2009	Positive Airway Pressure-Associated Epiglottis-Related Obstruction in Adults with		Review

- Each abstract will be evaluated across the following three criteria:
  - Relevance and Current Interest (1-5)
    - Its relevance to current topics in sleep surgery and potential to generate interest.
  - Study Design (1-5)
    - Appropriateness and rigor of the study design.
  - Strength of Methodology (1-5)
    - Quality of the methodology and its potential to yield meaningful results and conclusions.

- Be sure to click Save at the bottom of the page to submit your score and comment(s).
- The system will then take you back to the list of your assigned abstracts.

4. To update the scoring or comments for an abstract, select the date shown in the Task column on the far right.

Search

Abstracts	Title	Rating	Task
<b>Manual Assignment</b>			
2005	OBSTRUCTIVE SLEEP APNEA (OSA) 2026 Updates		Review
2006	Patient Factors Limiting Disease-Modifying Effect of Hypoglossal Nerve Stimulation	1.00	06/24/2026
2007	Understanding Longitudinal Apnea-Hypopnea Index Trajectories with a Sleep Mat in Hypoglossal Nerve Stimulation and Uvulopalatopharyngoplasty		Review

- You will then be able to revise the scores and make any necessary updates to the comments.
- Be sure to click Save at the bottom of the page to save your changes to your score and comment(s).
- You may need to refresh the page to see the updated score for the abstract.

5. It is not necessary to review all abstracts in a single session; you may close your browser and return later to continue your scoring.

**The deadline for grading the abstracts is 11:59 PM (CST) on Monday, July 6, 2026.** Abstract reviews must be completed prior to this time in order to allow the Program Chairs adequate time to develop the final program layout.

### Questions?

If you have any questions concerning the Review Portal, please contact Danielle Delanko at [ddelanko@veritasamc.com](mailto:ddelanko@veritasamc.com).
